

PRINCIPAL'S REPORT

by Mrs Sharon Mac Donnell - Principal

Every Student Succeeding!

Tattler 19.04.2017

Welcome back to Term Two! Mrs Sharon Mac Donnell is on leave during week one and will return at the start of week two. Mrs Kym Johnson is Acting Principal during her absence.

Our main priority is READING!

As part of our focus on reading students achieving at or below the Term One benchmark will receive reading intervention this term.

Did you know all students have individual reading goals? Students can clearly articulate what their reading goal is for the term and what they need to focus on in order to achieve this goal.

Weekly Attendance Rate

The weekly attendance rate for Term 1, Week 9 was 90.8%. Unfortunately this result was down on the previous weeks. We are still aiming for 100% attendance.

Please remember every day counts and it is important that students regularly attend school. Teaching of new concepts happens in every classroom every day including the first and last weeks of the term.

Parents you must notify the school of the reason for your child's absence. If the school is not notified we are required by legislation to telephone you.

School Behaviour Focus

Throughout the year teachers will be focusing on specific behaviours in their classrooms in relation to our "Be" rules.

This week's focus is "Be Safe".

Students are asked to be safe when walking on the stairwells and in the playground.

Nude Food

Don't forget to pack your child a rubbish free lunch each Wednesday. Students with a rubbish free lunch receive house points and a ticket in the raffle. Thompson are currently the Nude Food champions!

ANZAC Day

Students are encouraged to participate in the ANZAC Day ceremony held next Tuesday 25th April. Please meet at Tambo Foodworks at 9:45am for the 10am march. All students attending the ceremony are required to wear full school uniform.

P&C Fundraisers

The P&C have started their "5 cent Fundraiser" this Term. Please collect your 5 cent pieces and donate them to the P&C. Each classroom has their own jar and the first class to fill their jar will receive a prize. Jars are also located at businesses around the town.

The P&C will also be hosting markets once a month on the front lawn. The first market day is this Saturday 22nd April from 8:30am to 12noon. All types of stalls, including trash and treasure are most welcome. Please contact the school if you are interested in having a stall (\$10 per stall).

Prep & Year 1 are in need of some recycled objects.

If you have anything that could be used for craft etc (in particular cardboard boxes and plastic milk bottles)

They would love them. Thank you.
