

Tambo State School Uniform Policy

Tambo State School has a Uniform Policy, which has been endorsed by our P&C Association. The school is committed to building a proud reputation and the uniform is regarded by the school community as being important in encouraging a sense of self-esteem, belonging and self-discipline. Further benefits include:

- Appropriateness – to ensure that all students are dressed appropriately for all school activities
- Safety – to make student identification easier in the school grounds, while travelling to and from school and on excursions
- Equity – to discourage fashion competition e.g. wearing of name brands
- Expense – to minimise cost to families

Uniforms are available from the school uniform room, which is open Tuesday afternoon from 3:00 – 3:30pm. For uniforms outside of this time, please contact the school office.
